Welcome to the 2011 Provider Directory of Publicly Funded Mental Health Providers in the County of Los Angeles for Psychiatric Inpatient and Outpatient Short Doyle/Medi-Cal Facilities, Fee-For-Service Psychiatric Inpatient Facilities, Community Outreach, Forensic, Residential and Specialized Foster Care Facilities. This Provider Directory does not include Fee-For-Service Outpatient Provider locations.

Service Area population Demographic Profiles are also included as an easy guide to basic information, such as the number of clients served, Threshold Languages spoken (American Sign language also included) in the Service Area, number of providers, type, and geographic distribution of mental health services within each Service Area. Providers are listed alphabetically by name and the primary mode of service. Each provider has a designated provider location number referenced on the Service Area Map titled *Provider Location with Map Location Number*.

The Providers listed in the Provider Directory can also be located on the internet using the Online DMH Provider Locator at: <http://gis.lacounty.gov/dmh/>. To use the Online DMH Provider Locator, type the complete address of your location in the website address window and click on "Search." Rates

Prevalence Rate: The California State Department of Mental Health (CDMH) provides the estimated prevalence of Serious Emotional Disturbance (SED) for children and Serious Mental Illness (SMI) for adults for each county. These rates are applied to the estimated population in the County of Los Angeles to determine the number of people in need of mental health services.

Penetration Rate: This rate estimates the number of persons served by publicly funded outpatient mental health services, excluding Fee-For-Service Providers. The Penetration Rate is calculated as: The Number of Consumers Served in Outpatient Short Doyle/Medi-Cal Facilities, divided by the number of people estimated with SED and SMI.

Retention Rate: This rate reflects the number of outpatient claims received by consumers in Short Doyle/Medi-Cal Facilities in FY 2009-2010.

Age-Group Served by Providers: The age-groups served by providers are: Child/Youth, Adults and Older Adults. Providers serving Child/Youth serve consumers between the ages of 0 and 17. Providers serving Adults serve consumers 18 years of age or older.
